

# PSP Performer: Be First to Hire the Right Driver

Past behavior is an indicator of future performance, so manage your safety risk more effectively with PSP Performer.

## Empower Your Decision Makers

Now more than ever, you need to make sure you are protecting your company's risk profile by hiring the right drivers.

- Automated Scoring of PSP Violations (CSMS & DSMS)
- Immediate Proceed or Review Recommendations
- Compare a Potential Hire to Your Current Fleet
- Establish a Customized Risk Profile by BASIC
- Identify Specific Violations to be Flagged
- Expedite and Standardize the Decision Making Process

## More than just data on a PSP Detailed Report

Focus on hiring the drivers with historical behaviors that you approve of and want on your driving team with scored historical inspection and crash events, customized risk indicators, and proceed or review recommendations.

## Bottom Line Impact

PSP Performer can help you make consistent decisions in the Pre-hire process. Hire the right drivers that protect your risk profile.
